# Heartland Can Help

Dear Valued Partner,

We at Heartland are thinking of you and hoping that you and your loved ones are safe and healthy during this very uncertain time.

As your trusted partner, we want you to know that we are committed to providing our customers what they need to weather this new environment we're in. In an effort to assist your customers in adapting and sustaining their business during this difficult time, we've identified two solutions to offer our new and existing retail and restaurant customers:

## **Mobile Payments solution**

Mobile solutions that will help merchants offer curbside or on-site payment. With an easy setup process for iOS or Android, and waiving the first 90 days of monthly fees.

## Online Ordering solution

Heartland is waiving the setup, monthly and transaction fees for 90 days from the first date of install, regardless of whether or not they are a current Heartland customer.

We are closely monitoring the ever-evolving situation in order to respond to and prioritize the needs of our clients. Thank you for allowing us to be part of your business. If there's anything we can do to support you during this time, let us know by [clicking here](#).

Thank you,

**Heartland**
